

MTT 1.3

⚠ Please make sure that you close all current trackers, before updating to MTT version 1.3.

General

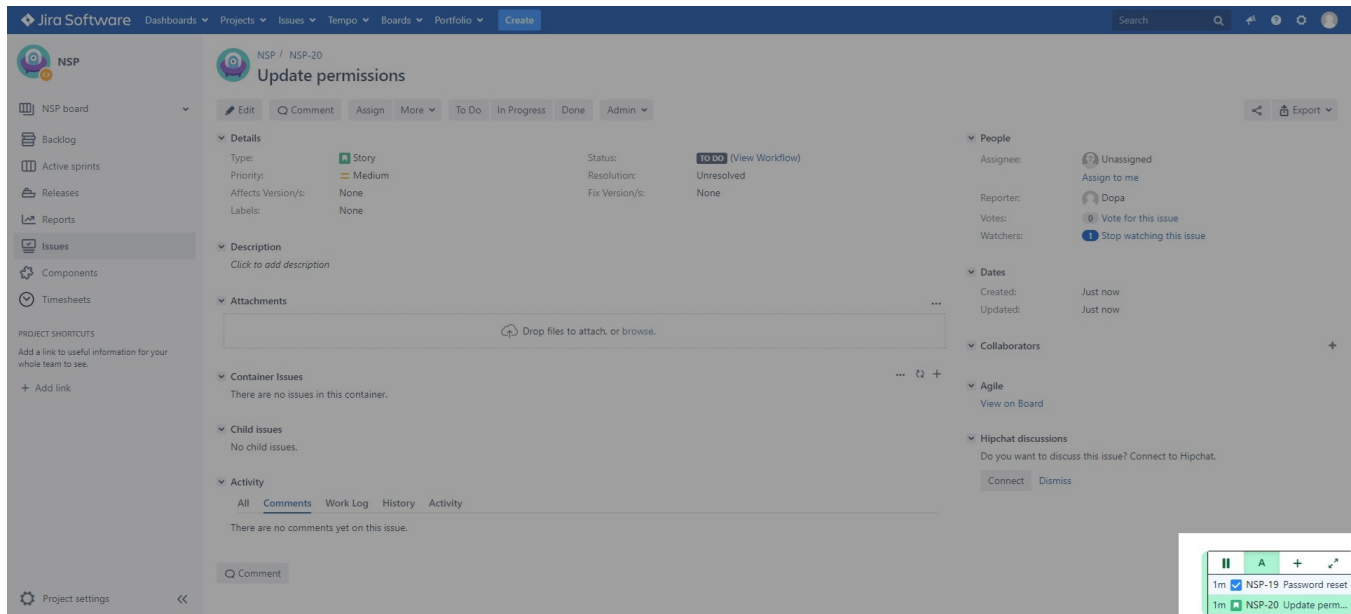

Jira 8 compatibility

The Multi Time Tracker is now compatible with Jira 7 and Jira 8.

Tracker

Redesign of the tracker

The tracker got a new design, which makes it look better and smaller.

Updates / Fixes

- Several bugfixes, to improve the usability
- Reworked the user picker so it only shows Jira users
