

Epic SumUp 2.5 Released

What's new in 2.5?

ESU 2.5 comes with useful features and fixes that are requested by our users — Many thanks to all at this point!

With this release, we provide the first accounting feature: Timesheet!

[Read more about timesheet!](#)

Following a list of all features and bug fixes in this release:

Key	Summary	T
PESU-190	Display Numbers on Agile Cards	↑
PESU-185	Display Bug in Confluence	⬮
