

Permission Settings

 To access and adjust the project settings for Epic Sum Up, you need the "Administer Project" right for the project.

ESU 3.10 AND ABOVE

Define which user groups have the permission to see and use Epic Sum Up.

Permission Summary Panel

Type to search

Limit access to the Summary Panel to specific groups.

Permission Timesheet

Type to search

Limit access to the Timesheet to specific groups.

ESU 3.2 AND ABOVE

 Due to limitations in Jira the Summary Panel display cannot be restricted by roles anymore.

<https://ecosystem.atlassian.net/browse/ACJIRA-424>
<https://ecosystem.atlassian.net/browse/ACJIRA-674>

Define which user groups have the permission to see and use Epic Sum Up.

ESU 2.9 AND ABOVE

Permission Change

Users do not need the "Work on issue" permission anymore!
Please check your permissions after this update! To avoid insight of the Summary Panel to unauthorized users or customers!

Define **user groups** and **roles** in the Global Settings to grant only certain users the view of Epic Sum Up.
